... Testimonials ...

Tim Watts, President
ECONOMY PRODUCTS

"MCED has been very important to Macon County in working with existing businesses providing support and opportunities for growth through various state, local, and university initiatives including grants and employee training."

Rusty Neill, President/CEO
MA BANK

"Much of the work that Macon County Economic Development does is behind the scene; but they are the common denominator in all of the ongoing efforts to improve the economic viability of Macon County."

... MCED News ...

Administered the Landfill Fee Loan/Grant Program for the Industrial Development Authority

- Three loans in 2022 totaling \$325,000
- \$30,000 in grants in 2022

Community progress assisted by MCED

- First Build My Future event in Macon County – Held at the Macon County Park, the one-day, hands-on construction industry showcase brought 50+ vendors and 1,466 students from across north Missouri to Macon for the day. The next event is scheduled for September 20, 2023.
- Re-started the 8th Grade Career Fair in September 2022 at the Macon R-1 High School. All students in eighth grade in Macon County were invited to attend the event where they were able to learn about all types of businesses that exist in Macon County and tour MACTEC.
- Missouri Partnership provided forty site searches in our region in 2022, 52% of searches were for an existing building with an average of 175,000 square foot, the average acres required was 195.
- 2022 Come Home Scholarship recipients:
 - Sofia Burks
 - McKenzie Lagle
 - Joselyn Alkire
- MCED underwent a 5-year strategic planning process that we will begin implementing in 2023.
